

F-2014-00181 - Information about assessing the eligibility of patients for NHS funded fertility treatment

26 June 2014

Summary of request

The Authority was asked for information about the social criteria used for assessing the eligibility of patients for NHS funded fertility treatment.

HFEA response

The HFEA does not hold the information requested. The eligibility of patients for NHS funding is done by the patient's Clinical Commissioning Group (CCG), which has its own set of guidelines.
