

F-2017-00042 – Unstimulated cycles

01 March 2017

Summary of request

The Authority was asked to provide live birth figures per cycle started and per embryo transfer for IVF with Natural Cycle only and IVF using Clomid only. The data was to be broken down in the following age ranges: <35 35-38 >38; and for 1 or >1 embryo transferred.

HFEA response

The HFEA answered by providing the data in a spreadsheet. Please see the corresponding file at <https://www.hfea.gov.uk/about-us/freedom-of-information/previous-responses-to-foi-requests/>.

Please note that where a number of individuals is less than or equal to five because the disclosure of this information could breach an individual's confidentiality.
