

## **F-2013-00176 - Single women accessing fertility treatment using donor sperm**

01 August 2013

### **Summary of request**

The Authority was asked for data on the number of single women accessing fertility treatment using donor sperm.

### **HFEA response**

Please see the information requested in the table below. The data figures are based on the data as it is reported to us by the fertility clinics and are subject to any changes made by the sector.
