

## **F-2014-00066 - Data regarding IVF and DI treatment cycles split by year**

03 April 2014

### **Summary of request**

The Authority was asked for data regarding IVF and DI treatment cycles, including partner category, cycles, patients, live births and babies split by year.

### **HFEA response**

The requested information can be found in the tables below.

There might be slight variations on previous FOI requests due to the information held on the HFEA register. The data shown in the tables below is based on the information supplied to the HFEA by clinics.
