

**F-2014-00223 - Rejection figures for babies born via surrogacy by the commissioning parents**

06 August 2014

**Summary of request**

The Authority was asked for the number of IVF babies carried by surrogate mothers that have been rejected by the commissioning parents in the UK.

**HFEA response**

The requested information is not held by the HFEA, and the HFEA is not aware of any organisation that collates such data.
