

F-2015-00380

8th December 2015

Summary of request

You have requested details of full job titles regarding certain positions within the Human Fertilisation and Embryology Authority.

HFEA response

I can confirm that there are four such positions falling within scope of your request and the job descriptions for these are attached. Each job description lists which salary band the position is in. I have attached another document which outlines the salary range for each pay band.
