

F-2015-00395 Embryos discarded in the course of treatment

22nd January 2016

Summary of request

The Authority was asked for information on the number of human embryos used in IVF technology discarded in each of the last 5 years.

HFEA response

Please find attached a spreadsheet which contains this information.

Please note that the HFEA can only provide data up to 30/06/2015 as this is the latest dates for which we have verified information.

Please note this data was extracted from the HFEA's data warehouse containing Register data as at 22 January 2016. Please note that the information in our database may be subject to change as licensed centres notify us of information that updates or corrects information they have previously supplied.
