10 March 2017

Summary of request

The Authority was asked to provide details on its spending on business travel as well as relevant contracts and policies.

HFEA response

The HFEA pointed out that most of this information is in the public domain. This has been published in our annual reports, which are available here: <https://www.hfea.gov.uk/about-us/publications/corporate-publications/>

Furthermore, we clarified that procuring is managed by Department of Health's (DH) procurements team and business travel provider is Redfern. Default vehicle of business travel is standard class public transport.
